

Local Plastic Surgeon Named to Prestigious International Society

Dr. Joseph Rucker Recognized as a Top Plastic Surgeon by the ISAPS

EAU CLAIRE, WIS., MAY 1, 2019 -- Dr. Joseph Rucker, of the Plastic Surgery Clinic of Eau Claire, has been selected among the top doctors in the world to be recognized for his outstanding results in plastic and cosmetic surgeries by the International Society of Aesthetic Plastic Surgery (ISAPS).

As the world's leading professional organization for board-certified aesthetic plastic surgeons, ISAPS is dedicated to promoting excellence in the field of aesthetic plastic surgery. The ISAPS recognizes international aesthetic surgeons on the basis of the surgeon's qualifications and experience, safety record, commitment to ethical practice, and up-to-date training in safe techniques and treatments.

Meeting and exceeding the rigorous membership requirements and respected code of ethics by the ISAPS, Dr. Rucker is honored to be named among the over 4000 members in over 100 countries. He is recognized as one of only three ISAPS members in the state of Wisconsin.

Dr. Rucker of the Plastic Surgery Clinic of Eau Claire provides non-surgical and surgical procedures that improve his patients' looks. He also leads patient care and consulting at Enza Medispa – Eau Claire's premiere medical spa.

Prospective patients can setup a consultation with Dr. Rucker by visiting www.plasticsurgeryclinic.com or calling the main office at 715.833.2116 or 800.456.8222.

ABOUT DR. JOSEPH RUCKER: Dr. Joseph W. Rucker, Jr., completed his medical school training at the College of Human Medicine at Michigan State University, East Lansing, Michigan. That was followed by five years in general surgery and a three-year residency in plastic surgery and a fellowship in breast reconstruction. Dr. Rucker has been in private practice in west central Wisconsin in the Eau Claire area since 1984 and has performed over 10,000 reconstructive and cosmetic surgery procedures. He is board certified by the American Board of Plastic Surgery.

ABOUT ISAPS: The International Society of Aesthetic Plastic Surgeons was founded in 1970 to provide a forum for the interchange of ideas and knowledge for the advancement of aesthetic plastic surgery. In addition, ISAPS has become the gold standard for providing continuing education to its members in new procedures, techniques and options in aesthetic and reconstructive plastic surgery.
